

Dear Sir/Madam:

I have come to know from my resource that there is a job opportunity of “**Senior Web/Graphic Design**” in your organization under your kind control.

I have more than 5 years of experience in the field of Web/graphic Designing and I have strong ability to work with Photoshop, Flash, Dreamweaver, Illustrator, Along with this, I also have good knowledge in programming Action Script and JavaScript.

My unique mix of previous work experience and my education and training in the field, makes me an ideal candidate for User Experience Designer opportunity in your organization.

I am sure my services would be useful to your organization and I look forward to put my knowledge and experience into practice.

Attached is a copy of my resume, which more fully details my qualifications for the position.

Thanking you for your kind consideration, waiting of your call for interview.

Sincerely,

Ahmad Eid | senior web/graphic design

Ahmad Eid
